Dear Patrick:

Please accept my sincere appreciation for your invigorating Karate lessons and demonstrations for our recent celebration of Asian-pacific month. I was pleased with your enthusiastic approach to not only get people moving, but also getting everyone involved.

Because of the generosity of people like you, we were able to experience a taste of this great culture through a variety of different venues including a luncheon of various Asian cuisines. The event was enjoyed by over 40 personnel here at Naval Support Unit Saratoga Springs and your participation was an integral part of our celebration.

Sincerely,

J. 

Lieutenant Commander, U. S. Navy
Officer in Charge
